

## Eric LAMBERT

### Senior Business Development Manager

**In 1987, after 5 years as a pioneer Officer in the Belgian Army, Eric Lambert migrated to Luxembourg and started a career in the steel Industry Transport and Logistics branch.**

**Convinced by the potential development of the Combined Transport from the very beginning of this second career, he accepted to join the CFL Group (Chemins de Fer Luxembourgeois) in October 2000 as Combined Transport Manager.**

**He kept different managing positions in regard with Freight Activities within the CFL Group.**

**Between 2008 and 2013, he officiated as General Manager of ACTS Luxembourg.**

**In September 2016, he joined the Strategy and Business Development Department as Senior Business Development Manager.**

**He represents CFL multimodal (Company regrouping all the Freight activities of the CFL Group created in 2009) in different Associations, in particular in the UIC where he is Chairman of the Combined Transport Group since January 2012.**
