

Ralph-Charley SCHULTZE

President

Before going to Austria he was responsible during five years within the Freight Department of the Swiss Railways (SBB Cargo) for Combined Traffic, Automotive Business and Partner Management. In this time he had the opportunity to practice liberalization and to experience so called competition. He has an international background, speaks fluently five languages and studied law in Germany, France and England. 10 years in different Logistic and Forwarding Companies in Europe gave him a solid logistics background and enabled him understanding, organizing and implementing logistic processes, meeting the real needs of the market. From 2009 to 2013 he was Director for Multimodal Logistics within the GEFCO Group, responsible for the development of Multimodal Business all over Europe, with a strong focus on Eastern Europe, Russia and Central Asia. Since 1st January 2014, he is President of the UIRR, the International Union for Road-Rail Combined Transport in Brussels.
